Re: **New Property Ownership Change Form**

---

In order for the Indiana Housing and Community Development Authority (IHCDA) to better serve Section 42 Rental Housing Tax Credit property owners and other community partners in keeping the most up-to-date information available, we have created a Property Ownership Change Form to allow owners to submit updates to IHCDA when changes in the ownership structure of a property occur.

The form can be found online at [IHCDA: Multifamily Housing Compliance](http://ihcda.in.gov)
